

VTO 28 Urban Farm Training Program

Mondays and Wednesdays 10am-4pm
\$285 + \$25 Registration fee + \$30 Materials fee

Session I: October 3—November 14 OR Session II: November 7—December 19

From garden to table: Learn the practical skills you'll need to grow and harvest an urban garden on Kingsborough's high-production; year-round farm.

Get your hands dirty: You'll learn how to build a soil-bed; plant seeds; care for your garden; and harvest crops.

Eat what you grow: Our chef instructors teach you how to cook what you've grown, in our state-of-the-art kitchen. Best of all, you get to take home produce, fresh from the farm, at the end of every work week!

REGISTER TODAY: 718-368-5050

Farmers are required to attend all scheduled workdays, rain or shine.

Please bring: A notebook and pen; water; a snack; a hat, shoes, and clothing appropriate for working outdoors (that you don't mind getting dirty).
